Re: Township Reminder of Leash Requirements and Private Property Boundaries

Summer is upon us, bringing an increase in visitors to Freedom Park Dog Park. The township would like to remind all visitors to follow dog park ordinances and regulations posted at park entrances and throughout the park. It is imperative these ordinances, passed by the township, are adhered to ensure a safe and respectful environment for visitors and residents.

Key points of the ordinances include:

1. **Dogs must be leashed on walking paths outside the off-leash area.** This includes the areas from the Gill Road parking lot up the dirt path to the dog park entrance, to ensure the safety of visitors and their pups.
2. **Respect dog park boundary lines.** The township has received incident reports of visitors and pups inadvertently entering private property next to the dog park. We respectfully ask visitors be mindful of the property line and refrain from entering these areas.

Respectfully,

Angela Sforza
